The screenshot displays the SAP Litmos Home interface. At the top, the navigation menu includes 'Home', 'Content Library', 'Achievements', 'Live Sessions', and 'Instructor'. The main dashboard features three circular progress indicators: 'To do' with a count of 1, 'Overdue' with a count of 0, and 'Completed' with a count of 1. A 'Login Week Streak' of 14 is shown next to a calendar icon. Below these indicators, there are filters for course status: 'ALL', 'IN PROGRESS', 'OVERDUE', 'NOT STARTED', and 'COMPLETED'. A search bar is present with the placeholder text 'Search for a course or learning path'. A course card for 'NWCOA WCOTC Test' is highlighted with a green border. The card includes a circular logo with the text 'CERTIFIED WCO' and 'NWCOA WCOTC Test'. To the right, there is a calendar for July 2020 and a 'Recent Achievements' section.
